WORK EXPERIENCE

• Dates (from – to)

From 1/4/2017 to now.

Department of General and Oncologic Surgery – Mauriziano Hospital – Torino

From 16/2/2013 to 31/3/2017

General Surgery – Savigliano Hospital – ASL CN1

From 1/12/1999 to 15/2/2013

Institute for Research and Cure of Cancer (IRCCS), Candiolo (TO)

• Occupation or position held
• Main activities and responsibilities

Staff Surgeon

My clinical activity is aimed in particular at the treatment of neoplastic and benign pathology of the gastrointestinal tract. I contributed to the development of multidisciplinary treatment for pancreatic and rectal cancers at the IRCCS in Candiolo. I have acquired competence in elective and emergency laparoscopic surgery and in abdominal wall surgery. My surgical series includes more than 1000 operations, with over 300 resections for colorectal neoplasia.
